

PRINCETON

ADVANTAGE SCHOLARSHIP

2024 APPLICATION PACKET

Sponsored & administered by the

Princeton Education Foundation

Application ID #: _____

January 2024

The mission of the Princeton Education Foundation (PEF) is to support excellence in our children's education and to fund programs and purchases over & above what the school district provides in order to maintain the *Princeton Advantage*. The Trustees of the PEF work tirelessly on a volunteer basis to raise money and to ensure that money goes right back into the classrooms and to support our staff.

The Princeton Advantage Scholarship, sponsored and administered by the PEF, was founded in August of 2018. Its purpose is to offer scholarships to graduating Princeton community seniors in order to help our Vikings even after they leave the halls of Princeton. The PEF was started by a bequeath from a retired Princeton Educator, so it's only fitting that we offer scholarships to help fulfill our mission and honor his legacy.

The Princeton Advantage Scholarship is \$1,000.00 that will be awarded to any current graduating senior attending Princeton High School, Scarlet Oaks, or Princeton's Innovation Academy. The application and rules are included in this packet.

Completed applications and supporting information will be due back to the 12th Grade Principal's office no later than **12:30 pm on April 5, 2024.**

You are close to entering a very select group of people, **Princeton High School Alumni**. Many of the trustees from the Princeton Education Foundation are also Princeton Alumni, there we are excited to be able to offer you the chance to further your education.

Congratulations on your upcoming graduation and we wish you the very best of luck with your future endeavors!

Sincerely,

Princeton Education Foundation Trustees:

Sarah Oliver, President

LaVerne Mitchel- Vice President

Alexis Bayrak, Secretary

Sharla Ponder, Treasurer
